Game Summary:

The falcons came out slow in their season opener against the Meade Mustangs. It took them until the 65th minute to break through a well-organized zonal defense to score the games first ball. Katie White played in Sam Young and she was able to toe poke the ball past Meade's keeper. About 8 minutes later the Falcons added a goal when Sam Young was in on the right side, dribble the ball to the end line and slipped the ball back to the 6 yard box where Bridget Zingler was there to finish. Christie York only had to make 5 saves but none was bigger than the 1v1 save she made with 20 minutes left in a scoreless game.

"Meade was well organized and had a great game plan, we were flat today. We must understand that we are going to get everyone's best game and need to play at a high level every match" said 3rd year coach Gary Lam.
